<i>Memo published: March 24, 2005</i>	<i>Contact: Philip G. Cardis, Staff Attorney (267-0683)</i>

Current law authorizes the owner of a qualified motor vehicle to register the vehicle for five years for a \$5 fee. Qualified vehicles are specified by statute and include fire trucks owned and operated exclusively by incorporated volunteer fire departments and motor vehicles owned and operated by volunteer nonprofit organizations used exclusively for rescue work.

Under Assembly Bill 29, a trailer owned and operated exclusively by an incorporated volunteer fire department is also eligible for this \$5, five-year registration.

Assembly Amendment 1 provides a one-time appropriation of \$11,900 from the transportation fund to the Department of Motor Vehicles to cover the costs for computer modification and data processing associated with the change in registration procedure for vehicles registered under the bill.
